

Attorney Docket No. LGHT 1054-0

Remarks

The above Amendments and these Remarks are in reply to the Office action mailed July 28, 2004. No fee is due. Reconsideration of the rejections is requested.

Claims 10-34 and 37-43 were pending in the Application prior to the outstanding Office Action. In the Office Action, the Examiner allowed all pending claims except claim 34, which she rejected under 35 U.S.C. 103(a).

In the present Response, Applicants have amended independent claim 34 to incorporate the limitations of allowable dependent claim 35, thereby rendering claim 34 patentable. Claim 35 has been canceled and claim 36, which previously depended from claim 35, has been amended to depend now from claim 34 instead.

In light of the above, it is respectfully submitted that all of the claims now pending in the subject patent application should be allowable, and a Notice of Allowance is requested. The Examiner is respectfully requested to telephone the undersigned if he can assist in any way in expediting issuance of a patent.
